[ASSOCIATION GOVERNANCE & MANAGEMENT ARTICLES](#)

For most of my professional career I've been an active member in the CAI: A national organization dedicated to fostering vibrant, competent, harmonious community associations.

CAI has been the leader in providing education and resources to the volunteer homeowners who govern community associations and the professionals who support them.

I'm proud to say that I have achieved several CAI professional designations (CMCA, AMS), and have serve on the managers committee (past chairman) and finance committee.

I Hope This Helps.
